Product Description

REC-TECH Tennis Court Line Paint is a textured, 100% acrylic emulsion paint, designed for use on asphalt and concrete tennis courts.

Uses

This product is designed for line marking on asphalt and concrete sports surfaces.

Color Availability

REC-TECH Tennis Court Line Paint is available in white.

Preparation of Surface

Pavement surface should be cleaned completely of dirt, loose stone, and vegetation before application.

Application

Stir material before use. Use tape to mask lines, and apply Tennis Court Line Paint with a roller or brush. Remove tape as soon as paint has dried.

Weather Conditions

Temperature must be at least 50°F and rising during application and for at least 24 hours after application. Do not apply if rain imminent or is forecast for the next 24 hours.

Coverage

Tennis Court Line Paint will cover approximately 500-600 linear feet of 2" line per gallon.

Clean Up

Wash tools with soap and water before material has dried.

VOC

Less than 100 grams of volatile organic compounds per liter.

Precautions

**KEEP OUT OF REACH OF CHILDREN.
PROTECT FROM FREEZING.**

Do not take internally. **If swallowed**, call a physician immediately. **In case of eye contact**, flush immediately with water for 15 minutes and call a physician. Do not store in direct sunlight or at temperatures above 100°F. **In case of spillage**, absorb and dispose of in accordance with Federal, State, and local regulations. When not in use, keep containers tightly closed and upright to prevent leakage.
